BASIC COURSE OVERVIEW

DATES

Pre-Work On-Demand Content - June 1, 2022

Live Content - Jun 30 - Jul 2, 2022

PRE-WORK ON-DEMAND CONTENT

Available June 1, 2022

Pre-work content is available starting on June 1, 2022 and is pre-work to the Basic Course. This suite of lectures is designed to teach important foundational content to prepare the learner to get the most out of their AAOA Basic Course experience. Recorded content will allow you to learn at your own pace, review what you have learned, and have your questions answered during the live sessions.

LIVE-STREAM CONTENT

Jun 30 - Jul 2, 2022

Kicking off on Thursday, June 30th, your live content builds on the pre-work content with interactive panels, trivia challenges, and case examples of how it all translates into practice. Friday, July 1, gets into the meat of allergy in practice with core content around testing, antigen selection, skin testing practicum, pharmacotherapy, and allergy emergencies. Friday ends with a unique "Drinks with the Professors" networking to give you a chance to ask your questions. Saturday brings it all together and includes dosing, vial prep, and SCIT and SLIT. Additionally, the faculty will share insights into the business side of allergy in an ENT practice and a glimpse into Advanced topics.

ON-DEMAND CONTENT

Available June 1 - September 2, 2022

On-demand content includes most of the Live-Streamed (available post July 2nd) and the 11 hrs of the Pre-Work On-Demand sessions. Access to all the content expires Wednesday, September 2.
